## IV. Daily tours by car and train

A selection of suggested daily trips from our place is presented. Here, we give only few tips for your trip. If you don't have the navigator, you can use the maps provided in the Attachments to these Notes.

Every **first Sunday of the month** all State-run museums in **Italy** are **free!** For everyone!! All over **Italy**, not just Tuscany. It also means that the more popular museums, such as the **Uffizi** and **Accademia** in Florence, get even more crowded than usual.

### 1. Siena

The center of Siena, Piazza del Campo, can be reached from your apartment by 25 – 30 minute drive plus 5 minute walk. If you are interested in the medieval monuments and in the museums of Siena, you can spend a full day there. If you don't have this time, after visiting Siena, you may continue to visit **SAN GIMIGNANO**. Coming back, it is worthwhile a short detour to visit **MONTERIGGIONI**.

To reach a convenient car parking in SIENA:

- from Rapale drive down to the 540 main road and turn left.
- arrive to the motorway Perugia-Siena and proceed towards SIENA
- just before the arrival at Siena do not follow the sign indicating the city center, but keep right and follow the direction towards **FIRENZE-GROSSETO**.
- at the first exit, follow the sign to **FIRENZE**.
- exit at **SIENA SOUTH** and follow the parking sign "IL CAMPO".
- enter the gate and proceed to the parking "IL CAMPO" (€ 2.00 per hour).
- do not go straight into the town since you will be fined by tele-control

If you would like to go by bus, only few direct rides are available. The nearest bus stop is at the intersection between the winding road and 540 main road. You can buy the ticket on the bus.

We suggest catching the bus at 7.45 am to reach Siena railway station at 7:55 am.

For coming back, you can catch the bus at Siena railway station at 1.59 pm (in case of a morning trip) or at 6.23 pm (cancelled from 25/07 to 27/8 and every Saturday). As an alternative catch the bus at Viale Tozzi bus stop at 5.37 pm, then change at Colonna Del Grillo at 5.55 pm by si91 line bus (only working days). Viale Tozzi is in the heart of Siena downtown, whilst from Railway station you should take "Risalita", an escalator system that will take you uphill to reach town centre. For further information, please ask Fortunato.

Useful tips:

- ✓ **Torre del Mangia**, the tower of the city hall and the symbol of Siena. It is possible to buy the tickets only at the tickets office. The ticket costs 10 €, family ticket (applied for family compound of two adults and kids 11-18 years old) 25 €, under 11 years old the ticket is free. The opening times are: 10,00 – 19,00 (the ticket office closes at 18:15). Please remember in case of rain that the tower is closed for safety reason. There is no lift.
- ✓ To visit the main museum in Siena, **Museo Civico**, you can book your ticket at <http://www.b-ticket.com/b-ticket/sienateatri/>. The site is not translated in English. To avoid creating a new username, you can use our log-in information:

You have to choose date and time of visit (even if time is not strictly binding) and then proceed to payment. The system will send an e-mail to Fortunato, who will shortly deliver your reservation voucher. You can go directly to entrance with your voucher, do not go to ticket office. Booking prices are € 1,00 less than ticket office bought tickets.

In any case, the ticket costs 8,00 €, reduced ticket price 7,50 € is applied to 11-19 years old guys, over 65, university students, soldiers and groups compound of more than 15 people, whilst family ticket (22,00 €) are applied for family compound of two adults and kids 11-18 years old (under 11 years old the ticket is free). Unfortunately, if you want to buy a ticket "Museums + Torre del Magna", you cannot do it online but only at ticket office. Ask Gisella or Fortunato if you find any trouble.

✓ **Siena Cathedral:** you can choose one of the following options:

- Booking online at [http://www.tosc.it/tickets.htm?affiliate=T2C&sort\\_by=event\\_datum&sort\\_direction=asc&fun=erdetail&doc=erdetaila&erid=798899](http://www.tosc.it/tickets.htm?affiliate=T2C&sort_by=event_datum&sort_direction=asc&fun=erdetail&doc=erdetaila&erid=798899) . In this site, you can buy the ticket for the Cathedral only or the OPA SI PASS (to visit the whole Cathedral complex: Cathedral, crypt, Facciato panoramic view, Cathedral Museum, Baptistry). In this way, you can avoid queues and get in directly through a different entrance from ticket office's one (at the top of marble stairs).
- Buy ticket directly in ticket office. There you can choose to buy tickets Cathedral only, Museum only and so on.
- If you would like to have a 30 minutes visit to Cathedral roof and panoramic tour, you can buy Porta del Cielo ticket (€ 15 per person) or OPA SI PASS PLUS ticket (€ 20 per person) to visit the whole Cathedral complex + Porta del Cielo tour. You can buy tickets directly at tickets office or on reservation writing to [opasiena@operallaboratori.com](mailto:opasiena@operallaboratori.com) reporting date, time and number of people visiting. Please book in advance if you are interested in Porta del Cielo.

- ✓ In Siena, we suggest **Ristorante Papei**, Piazza del Mercato (very near to Piazza del Campo).
- ✓ We also recommend a return to Siena after 18 pm, when the city is not crowded by tourists. Then, during the night, you can enjoy the fascinating street lights of Piazza del Campo and of other monuments. At 9:30 pm a multimedia show **Divina Bellezza** takes place in Facciato, the unfinished façade of the Cathedral. Reservation is required at <http://www.ladivinabellezza.it/?locale=en>
- ✓ For **guided tours of Siena**, please visit <http://www.guidesiena.it/en/rates.html> or call +39 0577 43273. Prices are not too high and you can choose different guided tour approach depending on audience (children, adults, very-interested-in-art tourists and so on)

Novella), with a double-headed arrow between them. There are also date and time selectors for both departure and arrival, both set to 28-06-2017. On the right, there are dropdown menus for 'Adults' (set to 3) and 'Children' (set to 0). At the bottom, there are buttons for 'MANAGE TICKET', 'ADVANCED SEARCH', and a large red 'SEARCH' button.

Then select *there and back* rides and go through the payment section. You shouldn't be logged in to buy your tickets. Keep the PDF received by mail and show it on an electronic device (PC, tablet or Smartphone). Please check if your device can correctly display the Aztec code which will be checked by ticket inspector. Your online ticket allows you to travel on the chosen train or on another one along the same route within four hours after the hour showed on the ticket.

2. In the ticket machines located in train station. You can use this ticket only on the selected day. You can change your departure day only within 11:59 p.m. of the previous day: ask to the ticket office or follow the proper procedure in ticket machines.
